

### **December 2017: Meeting note**

The Each Home Counts Implementation Board had their monthly meeting on Thursday 7th December.

The meeting discussion focussed on the proposed joint approach between MCS and TrustMark for the Each Home Counts quality mark and details for how the framework governance can be implemented.

Work is continuing to understand fully the practicalities, detailed implementation timetable and funding for the proposed EHC quality mark approach and governance. The aim is to have the new quality mark scheme up and running by June 2018 and fully operational by October 2018.

#### **Action:**

- Define the role of the Governance Board and its associated Committees
