

July 2017: Meeting Summary

The Implementation Board held their monthly meeting on Thursday 6th July, welcoming two new members to the Board. These are Bevan Jones from Sustainable Homes who will lead the Social Housing workstream and Rich Hampshire from CGI who will take forward work on Data Ethics, Privacy & Protection.

Discussion in the meeting focused on the detail behind proposals for the quality envelope functions and preparation for the stakeholder event next week (12th July).

12th July Implementation Event

The Each Home Counts team hosted a stakeholder event in Central Hall Westminster on 12 July to provide an update on the progress made by workstreams since the Review moved into its implementation phase. Over 100 stakeholder representatives heard presentations on the market drivers for the review, workstream progress and the future direction of the implementation model.
