

## May 2017: Meeting note

The latest Each Home Counts Implementation Board meeting was held on Thursday 4th May, chaired by Howard Porter. The meeting was productive and included discussions around:

- agreeing the workstream structure going forward and confirming leads
- the vision for the Review
- up and coming stakeholder events for workstreams
- progress on workstream implementation plans and
- the Each Home Counts website ([www.eachhomecounts.com](http://www.eachhomecounts.com)) which will be updated over the coming months to include information about workstream progress and implementation plans
- a wider sector event in the summer to share and discuss implementation plans
- initial proposals for the quality mark framework (this links to wider stakeholder event on 18 May- see below)
- scope of the Measurement, Monitoring and Verification workstream
